

# Muskoka Heritage Foundation

## NOMINATION FORM *Natural Heritage Stewardship Award*

---

Good stewardship means the responsible use of land in a way that balances economic, social and environmental values for the common good of society and the environment. The Natural Heritage Stewardship award recognizes good land stewardship by private property owners and commercial developments in Muskoka. It acknowledges the protection of the natural heritage of Muskoka and recognizes the voluntary commitment to good stewardship practices.

Awards may be given one of either shoreline/residential or commercial categories as follows; please complete appropriate section.
