

MASTER STEWARD'S PROGRAM

NEW OPPORTUNITY!

The purpose of the Muskoka Stewardship Program is to identify ecologically significant properties, develop and train a core of volunteers to undertake a landowner contact program, and work with landowners to protect the natural values of their property through volunteer stewardship agreements.

Muskoka enjoys a forested environment with good clean water. Although there are some areas in the urban centres that require renaturalization, the challenge facing the MHF is to instill a strong environmental ethic and desire of private property owners to maintain large natural areas as development pressure increases. Protection of existing natural areas is essential to maintaining biodiversity, providing flexibility to address climate change, and ensuring essential ecosystem services, like clean water and fresh air, are available for future generations.

The mission of the Muskoka Stewardship Program is to maintain the ecological integrity of Muskoka's private lands. Our goal is to increase private land stewardship and to increase general public awareness of stewardship activities.

Program Sponsor -Major \$2,500

In addition to becoming a Corporate Partner of the *Muskoka Heritage Foundation* and all that affords you, you will also be recognized in advertising material that is distributed to the public. By becoming a \$2,500 program sponsor your company name (or logo) will be prominently displayed on a minimum of 2500 flyers or pamphlets that advertise the Master Steward's Program. In addition, your company name (or logo) will be on the program's page of our website, in the MHF's spring and summer newsletter, two of the MHF's E-New Bulletins, one local media advertisement, and in the Annual General Meeting Program. Your company will also be noted as a Program Sponsor in all presentations pertaining to the Master Steward's Program.

Program Sponsor \$1,000

In addition to becoming a Corporate Partner of the *Muskoka Heritage Foundation* and all that affords you, you will also be recognized in advertising material that is distributed to the public. By becoming a \$1,000 program sponsor your company name (or logo) will be prominently displayed on a minimum of 1000 flyers or pamphlets that advertise the Master Steward's Program. In addition, your company name (or logo) will be on the program's page of our website, in the MHF's spring and summer newsletter, two of the MHF's E-New Bulletins, one local media advertisement, and in the Annual General Meeting Program. Your company will also be noted as a Program Sponsor in all presentations pertaining to the Master Steward's Program.

Program Sponsor \$500

In addition to becoming a Corporate Partner of the *Muskoka Heritage Foundation* and all that affords you, you will also be recognized in advertising material that is distributed to the public. By becoming a \$500 program sponsor your company name (or logo) will be prominently displayed on a minimum of 500 flyers or pamphlets that advertise the Master Steward's Program. In addition, your company name (or logo) will be on the program's page of our website, in the MHF's spring newsletter, in one of the MHF's E-New Bulletins, one local media advertisement, and in the Annual General Meeting Program.
