

ANNUAL NATIVE TREE AND SHRUB SALE

MAY 12, 2012

NEW OPPORTUNITY!

Annual Native Tree and Shrub Sale - Event Sponsor

\$1,000

For the past 10 years, the *Muskoka Heritage Foundation* has been greening up Muskoka with native plants to help maintain a healthy and sustainable Muskoka. Each spring, we offer a variety of trees, shrubs and flowers for sale to our members and the general public to encourage local landowners to landscape their properties with native plant species.

On the 1st of April, the MHF Annual Native Tree and Shrub Sale will be open for our members to start their ordering, 2 weeks later it will be open to the general public to order. Our sale has grown each year, we currently have three pick up locations, the main location is Bracebridge at the Ministry of Natural Resources' office, and a satellite location in Huntsville and in Bala.

In addition to becoming a Corporate Partner of the *Muskoka Heritage Foundation* and all that affords you, you will also have recognition as the Event Sponsor with your company name (or logo) on the Sale's order form (hard copy versions and electronic versions), on the plant sale's event page of our website, in MHF's spring newsletter, in one of MHF's E-News Bulletins, in (at least) two local media advertisements, and in the MHF's Annual General Meeting Program.

Although this will be our 11th Annual Native Tree and Shrub Sales, this is the first year we are offering this as a sponsorship opportunity. If you have any questions about this sponsorship opportunity, or any other sponsorship opportunity with the MHF, please call Cathy DeNardis @ 705-645-7393 x201.

To become a sponsor or advertiser, please go to our website at www.muskokaheritage.org/events or mail your request to: Muskoka Heritage Foundation, 11B Taylor Road, Box 482, Bracebridge, ON P1L 1T8. You may send it by fax to (705) 645-7888 or Email: admin@muskokaheritage.org or call us at 705-645-7393 x201
